

## **Data Processing Information for consent of Guest User**

- (1) FARO has developed the cloud computing service SCENE WebShare Cloud that is hosted on third parties servers (“**Computing Service**”). FARO’s software SCENE (“**SCENE**”) is required to use the Computing Service.
- (2) You want to register to this Computing Service as a guest (“**Guest User**”), in order to be activated by customers of FARO (hereinafter: “**Processor**”) as a user or viewer. Such registration requires the storage, use and processing of your e-mail address. As your e-mail address may be deemed a personal data, you are asked to agree to such data processing based on the following information:

### **§ 1 Definitions**

- (1) “**Personal Data**”

Personal Data means any individual element of information concerning the personal or material circumstances of an identified or identifiable individual.

- (2) “**Processing**” or “**Processed**”

Processing means processing of Personal Data on behalf, encompassing the storage, amendment, transfer, blocking or erasure of personal data by the Processor acting on behalf of the Guest User.

### **§ 2 Scope**

Processor shall process e-mail address of Guest User as may be necessary to offer the guest status that is data processing as far as the authentication requires processing of the e-mail address of Guest User.

### **§ 3 Data Protection – Standard, Secrecy and Data Protection Official**

- (1) Processor shall take the appropriate technical and organisational measures to adequately protect Guest User's Personal Data against misuse and loss in accordance with the requirements of § 9 BDSG.
- (2) Processor shall ensure that any personnel entrusted with Processing Guest User's Personal Data have undertaken to comply with the principle of data secrecy in accordance with § 5 BDSG and have been duly instructed on the protective regulations of the BDSG.
- (3) Processor data protection official: Mr. Steffen Sauter ([steffen.sauter@faroeurope.com](mailto:steffen.sauter@faroeurope.com))

### **§ 4 Area and Subcontractors**

- (1) The Personal Data will be processed and used within the European Union and the European Economic Area as well as by a subcontractor of Processor being located outside these areas.
- (2) Processor's contractual obligations hereunder will be performed by using services for user authentication of Stormpath, 217 South B Street, Suite # 1, San Mateo, CA 94401 USA.
